The Examiner's most recent Office Action dated September 2, 1997 indicates that the Information Disclosure Statement (IDS) submitted by the Applicant on August 7, 1997 had been received but not considered because a petition, fee, and appropriate certification had not been provided at that time. Accordingly, in response to the Examiner's comments, Applicant hereby petitions pursuant to 37 C.F.R. 1.97 [d] and 1.97[e] for the consideration of the IDS previously submitted on August 7, 1997.

The issue fee for this case has NOT been paid, but is due for payment on 12/12/97. As

BASIS FOR PETITION – CERTIFICATION UNDER 1.97(E)

As required by 1.97[d] (1) and 1.97[e](2), the undersigned hereby certifies that to the best of his knowledge after conducting a reasonable inquiry, none of the references cited in the aforementioned IDS were known to any individual designated under 1.56(c) more than three months prior to the filing of the IDS.

Accordingly, Applicant has met the requirements of 1.97 [d](1), and thereby petitions under 1.97[d](2) for consideration of the IDS and accompanying references. Applicant submits that the application is entitled to and should receive the full benefit of the Examiner's review in light of all known potentially relevant references, and on this basis requests such review. Nevertheless, for the reasons set out in detail in Applicant's August 7 amendment discussing these newly discovered references, Applicant further submits that the allowed claims distinguish over such references as well. Accordingly, Applicant respectfully requests the issuance of a Supplemental Notice of Allowance that considers the aforementioned references.

PETITION FEES

Pursuant to 1.97[d](3), the petition fee 37 CFR 1.17(i), \$130 has been paid with the enclosed check.
